
Supreme Commander 2 V1.250 Definitive Edition Hack Working

Download

for Supreme Commander: Forged Alliance Forever v1.5.3697+ . If you don't use other AIs, it also works well with a low unit cap, like 250 or even 125 units. Forged Alliance Forever has several useful features. One of them is the Auto-Compensation feature, which automatically compensates for some of the possible loss of units or resources. You can use it to fight bots that only use small units. If you think the AI can afford to lose 1000 gold, don't rush to send your units there if you have more than 1000 of them at a time. With the Auto-Compensation feature, you can be sure the AI won't do this.
